Part A: Product Disclosure Statement

1. Introduction

This Product Disclosure Statement (PDS) is designed to provide information about us and our Direct motor vehicle insurance. This information will help you decide whether our motor vehicle insurance is right for you.

The covers and services described in this PDS are available to anyone who receives this PDS (or otherwise) in Australia. If you decide to purchase our insurance, your insurance policy will consist of this PDS and any **supplementary PDS** we may issue, along with your current insurance certificate.

The information in this PDS was updated April 2020. Up-to-date insurance-related information that does not adversely affect your policy may change from time to time and may be made available to you on our website at **pd.com.au**.

Our policy does not cover every person, use, event, vehicle, or situation. To find out more about what is and isn't covered by this motor vehicle insurance, please read this PDS carefully. We ask that you pay particular attention to the section titled **"What We Don't Cover," beginning on page 14**.

Some terms and phrases in this PDS have specific definitions. Please refer to the **"Definitions" section on page 33** for those terms and phrases and their meanings.

How we operate

We conduct our business primarily online and digitally (including via email and SMS text) to keep our costs to a minimum so that we can offer you a lower premium.

We rely on our ability to communicate with you digitally so that you can buy and manage your policy through an online account with us.

Online and digitally:

- we can quote and sell our insurance;
- you can review and update your policy through your online account;

You can access your policy and account information at any time via our website and download and print documents you may need (for example, a current insurance certificate).

1. Introduction

Our Cover

We offer three different types of cover:

1. Comprehensive Insurance;
2. Third Party Fire & Theft Insurance; and
3. Third Party Property Damage Insurance.

We only provide cover to the driver/s you have told us about. If a person who is not listed on your insurance certificate is driving at the time of an insured event, you will not be covered for that insured event.

For more information about making a claim under any of these covers, how these claims are handled, and what amounts are paid, please see the "Making a Claim" section on page 19.

2. Comprehensive Insurance

Here's what's covered by our Comprehensive Insurance:

Loss or damage to your vehicle

We pay for accidental loss or damage to your vehicle up to the **agreed value**.

We cover loss or damage as a result of the following incidents:

- Collision or impact
- Fire
- Flood
- Malicious act
- Hail and Storm
- Theft or attempted theft

Property damage liability

When the use of **your vehicle** causes damage or loss to someone else's property, we cover your legal liability for that damage or loss up to a maximum of \$20 million. This is the most we'll pay for all claims arising from a single accident and includes all expenses we agree to pay toward your legal and defence costs.

We will cover:

1. **you** or a **covered driver** or a passenger with respect to an accident arising from the use of:
 - **your** vehicle, or;
 - a trailer or caravan attached to your vehicle, or;
 - a **substitute motor vehicle**.

If your vehicle has a trailer or caravan attached, they are considered one vehicle and our limit is not increased.

Additional benefits

You automatically receive the following additional cover when you purchase our Comprehensive Insurance. All limits are inclusive of Goods and Services Tax (GST). These benefits are subject to all applicable excesses.

Hire car after theft

If your vehicle is stolen and you make a claim, we will arrange, and pay the daily fees, for an economy-type hire car, up to the daily limit listed on your current insurance certificate.

These benefits stop when any one of the following conditions is met:

- The hire car benefit has been provided for 14 days;
- Your vehicle has been recovered and is returned to you or its owner undamaged;
- Your vehicle has been repaired or replaced, if it is recovered damaged;
- 72 hours after we make an offer to settle the loss on a vehicle that we determine to be a write-off.

At our option, we may decide to reimburse you. When this happens, you must send us receipts of hire car charges in order to receive reimbursement.

The running costs and extras of the hire car are your responsibility. The hire car will be covered under the terms and conditions of your PD Insurance Comprehensive Insurance during the period of this benefit, and if you wish to make a claim, you must pay any excesses that apply.

2. Comprehensive Insurance

Emergency repairs

We pay the reasonable cost, up to \$500, for emergency repairs that enable your vehicle to be driven home after it has suffered loss or damage in an incident that we cover or has been stolen and recovered in damaged condition.

Debris removal

We pay the reasonable cost to remove debris that falls from your vehicle as a result of an incident that we cover.

Towing and storage

When your vehicle is damaged in an incident that we cover and cannot be safely driven, we pay the reasonable cost of:

- towing your vehicle to the nearest repairer or place of safety; and
- storing your vehicle from when you report the claim to us until we settle the claim. We can move the vehicle if we need to or if we request, you must move the vehicle.

Free windscreen repair

You won't have to pay any excess and there will be no effect to your premium for damage to your vehicle's windscreen, if the windscreen is damaged in an incident that we cover and repaired rather than replaced. If the windscreen cannot be repaired, and needs to be replaced, your excesses apply.

Keys and locks

We pay the reasonable cost, up to \$1,000, to replace or recode your vehicle's keys or locks if they are stolen. You must report the theft of your keys to the Police to obtain this additional benefit.

New vehicle after Total Loss

If your vehicle is deemed a Total Loss because of damage or theft within the first 12 months of its original new car registration, we will consult with you about whether you wish to replace the vehicle with a new vehicle or would like us to pay the agreed value. If you wish to replace the vehicle, we will replace the vehicle with a new vehicle and pay the on-road costs (being the dealer delivery fee and first 12 months' registration and compulsory third-party motor vehicle insurance costs).

If we replace the motor vehicle, the replacement vehicle will be:

- of the same make, model, and series as the damaged or stolen vehicle; and
- fitted with the same insured modifications and standard accessories.

Such a vehicle must be reasonably available locally; if it is not, we will pay the agreed value.

If your vehicle is under finance, before your vehicle can be replaced, you may have to obtain the approval of, and refinancing from, the financier and provide us with all proofs and documents that we reasonably request.

2. Comprehensive Insurance

Optional benefits

When you purchase our Comprehensive Insurance, you may add the following options to your policy by paying an extra premium.

Hire car after incident

If your vehicle is damaged due to an incident that we cover (excluding theft), we will arrange, and pay the daily fees, for an economy-type hire car, up to the daily limit listed on your current insurance certificate.

These benefits begin when your vehicle cannot be driven due to the loss or damage or, if the vehicle can be driven, when it is delivered to a repair shop.

These benefits stop when any one of the following conditions is met:

- The hire car benefit has been provided for 14 days;
- Your vehicle is returned to you or its owner;
- Your vehicle has been repaired or replaced;
- 72 hours after we make an offer to settle the loss on a vehicle that we determine to be a write-off.

At our option, we may decide to reimburse you. When this happens, you must send us receipts of hire car charges in order to receive reimbursement.

The running costs and extras of the hire car are your responsibility. The hire car will be covered under the terms and conditions of your PD Insurance Comprehensive Insurance during the period of this benefit, and if you wish to make a claim, you must pay any excesses that apply.

We will pay for loss or damage up to the market value of your vehicle, but the maximum we will pay under this cover is \$5,000 for any one accident. This amount includes any reasonable cost of towing we may agree to pay.

We must agree that the accident was not in any way your fault and you must provide us with the registration number of the other vehicle as well as the name, contact phone number and residential address of the other driver.

We will decide the amount of loss and damage that you have sustained as a result of the accident. Any judgment or settlement that is made without our written consent is not binding on us.

If your vehicle has been damaged, involved in an accident, and/or has caused damage to someone else's property, please contact us as soon as possible. If your vehicle has been stolen, report the theft to the police immediately, and then contact us.

To report the accident or loss to us, you can login to your Direct online account at **pd.com.au** and follow the instructions for reporting a claim or you can call our claims team on **1300 CLAIMS (252 467)**.

Claim requirements

Anyone making a claim under this policy must satisfy a number of requirements as well as provide the information and assistance we reasonably request.

Requirements include:

- cooperating with us in any matter concerning a claim or legal proceeding;
- providing any written proof of loss we may reasonably require, including proof of ownership of your vehicle;
- allowing us to take signed and recorded statements, including sworn statements and examinations under oath, and answering all reasonable questions we may ask, as often as we may reasonably require;
- promptly notifying us about any claim or legal proceeding;
- attending court as we require;
- allowing us to inspect your vehicle and obtain repair quotations before their repair or disposal;
- taking your vehicle or allowing it to be towed to a place nominated by us if we request;
- authorising us to obtain records;
- providing us with any documents in your possession or that you can obtain, including driving histories, receipts and registrations, that we need to handle your claim; and
- promptly reporting any theft, attempted theft, or malicious act to the police.

6. Making a Claim

Anyone making a claim under this policy must:

- tell us the truth and be open and honest with us in connection with the claim;
- assist us in recovering any part of a claim from the responsible party and in negotiating, defending, or settling the claim;
- promptly deliver to us any relevant letters, notices, and documents that are received;
- cooperate with us to enable us to exercise for our benefit all legal rights of recovery that anyone covered by this policy may have against any other party in the covered incident. This may include assigning rights and executing forms and documents to allow us to pursue recovery. We will initiate, fund, and control recovery actions at our discretion;
- not make any admission of liability or settle or compromise any claim made against them without our prior written consent;
- provide us with all information we require to verify your rate and pay any extra premium we ask if your information needs to be corrected and this would have resulted in a higher rate for the relevant policy period.

If any of these responsibilities are not met, we may deny or reduce our liability for a claim and/or cancel your policy.

Loss or damage to your vehicle

If your vehicle is damaged or stolen and recovered with damage, and there is cover under the policy, we'll decide if it should be repaired or considered a Total Loss. We may also, at our discretion, decide to cash settle you for the reasonable cost of repairs.

If we decide that it should be repaired, we will decide whether to:

- authorise and pay for the cost of repairs, as described below; or
- pay you the reasonable cost to repair your vehicle. We will determine the reasonable cost to repair your vehicle and may require a quote from our Preferred Repairer Network in order to establish that cost.

Repairing a vehicle

PD Insurance chooses the Repairer

When we determine that the damage to your vehicle can be repaired, we will choose the repairer.

When we authorise repairs, our obligation is to repair the vehicle, subject to the terms and conditions of the policy.

6. Making a Claim

How does it work?

We will select one of our PD Insurance Preferred Repairers who will arrange a time for you to drive your vehicle to prepare a repair quote. If your vehicle cannot be driven safely, we'll arrange to have it towed at our expense to the repairer. We'll coordinate with you to oversee the process from beginning to end.

Our PD Insurance Preferred Repairers are a national network of carefully selected motor vehicle body repairers.

They offer you distinct advantages:

- Our repairers are equipped with modern repair technology to ensure the safety and integrity of your vehicle.
- Because of our relationship with these repairers, you'll receive prompt service and have issues resolved quickly and fairly.
- Using a PD Insurance Preferred Repairer means less work for you because you won't need to get additional repair estimates or manage any part of the repair process.

When we use a PD Insurance Preferred Repairer, our obligation is to repair the vehicle, subject to the terms and conditions of the policy.

When a Preferred Repairer is not available

If we determine a Preferred Repairer is not available, we may request quotes from more than one repairer. If we obtain one quote and we are satisfied that it is reasonable, complete and competitive, we will choose the repairer based on that quote. If we obtain two or more quotes, we will choose the repairer based on the most reasonable, complete and competitive quote.

Lifetime Repair Guarantee

If you use a repairer authorised by us for a covered repair, and the repairs completed are defective at any time during your ownership of the vehicle, we will arrange, at our cost, for the defective repairs to be fixed. If there is concern about the quality of repairs completed by a repairer that we authorise, please promptly contact PD Insurance rather than the repairer. We will organise any necessary repair corrections with the repairer. PD Insurance is your first point of contact in relation to all repairs conducted on your vehicle. Please do not undertake any additional work without our authorisation as this may mean that our guarantee is not available.

Replacement parts

If we decide that your vehicle should be repaired, we may, at our option, decide to replace the damaged parts, repair the damaged parts, or replace some parts and repair others.

When we use replacement parts, we may at our discretion authorise the use of any combination of original manufacturer, used or replacement parts in the repair of your car, depending on the make, model, age and condition of your car. Where parts are not available in Australia and require importation, we will pay for the cost of surface freight only. Where parts are unavailable and the repair cannot be completed, we will pay you the listed price of the part or parts in question, as at the date of settlement.

Important note regarding repairs

Please note that:

- we are not liable to pay for any repair amount that we have not authorised; and
- we may require you to contribute to the costs if the repair or replacement leaves your car in a better condition than before it was damaged.

6. Making a Claim

Determining whether your vehicle is a total loss

Your vehicle is a total loss for the purposes of your policy if:

- we decide it is so badly damaged that it would not be safe or economical (taking into account its salvage value) to repair it; or
- it has been stolen and is not found within 21 days after the theft is reported to us (or is found within that time period, but the damage makes it a total loss under the preceding clause) and we are satisfied that your claim is in order.

When we deem a vehicle a total loss

If New Vehicle after Total Loss applies

If you have Comprehensive cover on your vehicle and it becomes a total loss because of covered damage or theft within the first 12 months of its original new car registration, we will consult with you about whether you wish to replace the vehicle with a new vehicle or would like us to pay the agreed value. If you wish to replace the vehicle, we will replace the vehicle with a new vehicle and pay the on-road costs (being the dealer delivery fee and first 12 months' registration and compulsory third-party motor vehicle insurance costs).

If we replace the motor vehicle, the replacement vehicle will be:

- of the same make, model, and series as the damaged or stolen vehicle; and
- fitted with the same insured modifications and standard accessories.

Such a vehicle must be reasonably available locally; if it is not, we will pay the agreed value.

If your vehicle is under finance, before your vehicle can be replaced, you may have to

obtain the approval of, and refinancing from, the financier and provide us with all proofs and documents that we reasonably request.

If we pay agreed value

If the New Vehicle after Total Loss is not applicable, we will pay the agreed value, less any deductions that apply.

We are entitled to deduct from our settlement:

- any excesses that may apply,
- any unpaid premium, including the portion of any remaining instalment payments pertaining to that vehicle, based on the full annual premium of your policy,
- the value of any unexpired registration and compulsory third-party motor vehicle insurance costs, and
- any unrepaired damage to the vehicle that we have paid for under a previous claim on this policy.

We'll retain the damaged vehicle and it becomes our property.

If you have no other vehicles scheduled on your policy, then your policy comes to an end and there is no refund of any portion of your premium.

When we pay the agreed value, we'll send your payment promptly for the amount due.

If we decide to cash settle your claim

We may decide to cash settle you for the reasonable cost of repairs. We will offer you this option where it is available.

If we cash settle your claim, we will pay the settlement sum into your nominated account.

We may require you to provide proof that your vehicle has been repaired at any renewal of your PD Insurance Policy.

6. Making a Claim

Damage to someone else's property

If you damage someone else's property and there is cover for the damage under our property damage liability cover, we are entitled to take over and control the defence of any claim made by a third party against you for damage to property. We have full discretion to conduct any negotiations and proceedings and have authority to settle the claim.

Provided that we have agreed in writing, we will pay for all legal costs and expenses in defending any court proceedings that may arise from an accident that is covered by your policy.

Policy excesses

Types of excesses

Before we will pay any amount for a claim under your policy, you are required to pay an initial amount that is applicable to the incident. We may require you to pay the applicable amounts before we proceed with your claim — see **"How excess is paid,"** below.

If you have told us that you are the exclusive driver of your vehicle, you will not be covered if someone else is driving during a covered incident. This applies even if that driver is not at fault for the covered incident.

The amount you are required to pay is the total of the various excesses described below:

Standard — This excess applies in addition to all other applicable excesses.

If you have Comprehensive Insurance cover:

There is a minimum standard excess, but you may choose to increase your standard excess

to certain higher amounts. The amount you choose will affect your premium — the higher the standard excess you choose, the lower your premium will be (but the more you may have to pay toward a claim in the event of a covered incident). The minimum standard excess and the higher amounts that you may choose are listed on our website. The amount you choose will be shown on your current insurance certificate.

If you do not have Comprehensive Insurance cover:

The standard excess is listed on our website and will be shown on your current insurance certificate.

Age — This excess applies in addition to all other applicable excesses if your vehicle is being used at the time of an incident by a person whose age falls within one of these two ranges:

- under 21; or
- 21 or over, but under 25.

Each age range has an applicable excess. You can find the amounts on our website, and they will be listed on your current insurance certificate.

Inexperienced driver — This excess applies in addition to all other applicable excesses if your vehicle is being used at the time of an incident by a person who does not fall into the age excess category, but who held an Australian driving licence for less than two years at the time of the incident. You can find the amount of this excess on our website and it will be listed on your current insurance certificate.

6. Making a Claim

You are responsible for policy excesses

If one or more excesses are payable, you are responsible for paying them.

No excess payable in certain circumstances

You won't have to pay any excess if, when your vehicle is involved in an accident with another vehicle, we determine that the driver of your vehicle was not in any way at fault. You must, however, be able to give us the name and address of the person who was responsible for the damage and the registration number of his or her vehicle.

And you won't have to pay an age or inexperienced driver, excess if there is a claim for damages to your vehicle and the damage:

- was caused by theft, storm, flood, fire, or vandalism;
- occurred while the vehicle was legally parked; or
- was limited to the vehicle's windscreen or window glass.

How excess is paid

We determine when you should pay the excess and if you should pay the excess to us, to the vehicle repairer, or to a party who has suffered damage. We can also choose to deduct the excess from the amount we pay you, or from the amount we pay another person under your policy to compensate for loss or damage to his or her property. We may require that you pay your excess before we make any payment or provide any benefit under your policy. We will not cover any legal or other costs that may result if you don't pay or if you delay paying your excess.

GST and your claim

All insured amounts shown in the policy are in Australian Dollars and include Goods and Services Tax (GST). When you claim under the policy with us, all amounts we pay will be inclusive of GST, up to the maximum claim amount shown in the policy.

If you are registered for GST purposes, we will reduce any claimed amounts paid to you by the appropriate input tax credit percentage that you have told us you are entitled to claim from the Australian Taxation Office.

Our right of recovery

After we pay a claim under this policy, we can decide to take legal action in your name to recover money from the person or entity who caused the loss, damage or liability. You must give us all the help we need to do this. If we recover money that belongs to you and is not part of the claim we paid or expenses we incurred in recovering it, we will pay you that money.

7. Other Information About Your Policy

You must give us accurate and complete information

Before you complete the purchase of your policy, and before each renewal, you have a duty of disclosure under the *Insurance Contracts Act 1984*. If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions. You have this duty until we agree to insure you (for the initial purchase) or to renew the policy.

Also, before a renewal, we may give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change. If you do not tell us about a change to something you have previously told us, you will be taken to have told us that there is no change. You have this duty until we agree to renew the policy.

If you do not tell us anything you are required to tell us, we may cancel your policy or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the policy as if it never existed.

Digital and online communications and transactions

Because we communicate digitally, mostly by email and SMS, you must provide us with an email address and mobile phone number in order to obtain a PD Insurance policy. That way, we can be sure that you are receiving important information from us.

If your email address or mobile phone number changes during the policy period, login to your account online or contact us immediately and provide us with the new details. If we don't have a valid email address or mobile phone number for you, we may not invite you to renew your policy. We keep our premiums competitive by conducting business primarily online and digitally.

By purchasing insurance from us, you agree:

- that information and notices we are legally required or authorised to give you in writing may be given by sending you a digital link by which you can access the information or notices or by delivering them digitally, including via email and SMS text, but only where the process is permitted by law at the time we give you the information or notice;
- to receive from us the forms, correspondence, notices, and documents that we choose to send by digital link or by delivering them digitally, including via email and SMS text, or make available to you online; and
- to make every effort to update your policy information, confirm transactions, and report claims on our website.

7. Other Information About Your Policy

How we determine your premium

Careful analysis of the risk associated with providing the type of cover you request is the primary way we determine the cost of your motor vehicle insurance. We consider several factors that are reliable identifiers of risk. We calculate your premium based on the risk of providing the policy, and what policy type you have chosen.

The significant factors that we consider, and which may increase or decrease the price you pay for your insurance are:

- the driving and claim history of you and all covered drivers, including the claim history of you and the covered drivers prior to the start of your PD Insurance Policy;
- the age, gender, homeowner status and education of you and any covered drivers;
- types of cover and options;
- the address at which your vehicles are garaged or kept;
- the value, age, make, model and repair costs of your vehicles;
- whether you pay your premium in one up-front lump sum or instalments when offered;
- aspects of your financial record, including whether you financed your vehicle or already have motor vehicle insurance;
- the excesses you select; and
- the cost of providing and administering the policy.

Other factors that are considered by us and may increase or decrease the price you pay for your policy are:

- the cost of providing legal liability cover;
- our profitability targets;
- the expenses we incur to sell policies and settle claims; and
- government charges and taxes.

The premium displayed on your current insurance certificate includes any government charges, taxes, and levies, such as GST, Stamp Duty, and Emergency Services Levy, that we are obliged to pay.

NOTE: Our prices may change at any time without notice. Your renewal premium may be different than the premium for your expiring policy term.

Paying for your policy

You agree to pay your premium payments on or before the due date indicated on your bills. We accept payment by credit card only.

You can pay your premium in one lump sum or by monthly instalments which may be available in limited circumstances that we will determine. If you pay in one lump sum, a premium discount may be available.

You must provide us with an Authorisation to Charge Credit Card Account ("Authorisation"), which may be written or verbal because your premium payments for this policy and all renewals of this policy will be charged to your credit card account automatically unless, subject to the terms and conditions of the Authorisation, you contact us and advise us not to. An Authorisation is available when you apply for cover and can also be found on our website. You must always keep a current and valid Authorisation in place during the policy period.

7. Other Information About Your Policy

You can confirm your payments to us by going to our website and logging in to your account. There, you will see your account activity, and you can print out statements and receipts.

You can make any payment with a credit card that is different from the one you have instructed us to use in the Authorisation by going to our website and logging in to your account. However, you still always need to keep a current and valid Authorisation in place for renewal and instalment payments.

If we attempt to charge your credit card account and payment is refused by your financial institution for any reason, you will be considered to not have paid your premium when due.

Overdue payments

If you don't pay your renewal premium by the due date, your policy expires without further notice from us and you will have no cover from that date.

If you pay your premium in instalments, either of the following may apply:

- If an instalment is at least 14 days past due and **we haven't cancelled your policy as described on Page 29**, then we will refuse a claim for incidents that occur after that 14-day period.
- If at least one instalment remains unpaid for at least a month, **and we haven't cancelled your policy as described on Page 29**, we will cancel your policy without notice.

Making changes to your policy

You need to let us know as soon as possible if there is any change in:

- your email address or mobile phone number;
- your mailing address and the address at which your vehicle is garaged or kept;
- covered drivers;
- the motor vehicle that you want listed on this policy;
- the type of use of your vehicle, including changes from personal to business use, from business to personal use, and from one type of business use to another;
- your home ownership status;
- the cover types you want; or
- the standard excess you want if you have Comprehensive Insurance for one or more of your vehicles.

To make these changes, login to your account and follow the instructions for changing your cover or updating your policy information.

7. Other Information About Your Policy

If you make a change to your policy, your premium may change. If it increases, you may have to make a payment as a condition of the change, and your remaining instalment payments may increase.

If you don't tell us about a change and we accept a claim, we may ask you to pay any extra premium that results from the change and covers the relevant policy period.

Replacement motor vehicle

If you sell or give away a vehicle shown on your insurance certificate and permanently replace it with another one, then we provide temporary cover under your policy for your replacement vehicle.

The replacement motor vehicle will have the same cover from the time of its purchase as the motor vehicle it replaces, but only if:

- within 14 days of its purchase you go to our website, log into your account, and list the replacement vehicle on your policy;
- the replacement vehicle is one that we would normally insure; and
- you agree to pay any additional premium that may become due.

The cover ends for the replaced vehicle when you sell it or give it away, and begins for the replacement vehicle from the time of purchase of the replacement motor vehicle.

If you don't list the replacement motor vehicle within 14 days of its purchase, you will not have any cover relating to it until you list the replacement vehicle on your policy. Cover will apply going forward.

Reviewing your cover

The insurance certificate will show certain information you have provided to us in your application and subsequent updates. It will also show your premium and the types of cover and options that are in effect for your policy.

When you make or report changes to your policy, you can login to your account and review and print an updated insurance certificate which will confirm your transaction with us.

Always review the insurance certificate carefully and contact us if any of the information is incorrect.

Renewing your policy

Not later than 14 days before your policy expires, we'll send you a written renewal notice indicating the expiration date and time of your policy, and whether or not we invite you to renew your policy. We may do this by sending you a digital link by which you can access the notice (where permitted by law), by delivering it digitally, including via email or SMS text (where permitted by law), or by posting it to the last known address for you appearing on your online account.

To make payment by the due date, ensure that your Credit Card Authorisation is current and valid. If for the expiring policy period you paid your premium in one lump sum, we'll collect the full amount of your renewal premium; if you paid in instalments, we'll collect the minimum required initial payment. You may also login to your account to use a different credit card.

Please know that if the minimum required initial payment is not paid before the expiration date and time, as set out in the written renewal notice, your policy expires without further notice from us.

7. Other Information About Your Policy

If we invite you to renew:

- and you wish to renew, please login to your account to update and correct any information that we use to determine your premium. You will then see the amount of premium we are charging for the entire renewal period, the minimum initial payment required if you are paying by instalments, and the payment due date. Your premium may be higher or lower than it was for your previous policy.
- and you do not want to renew, please login to your account and advise us not to renew your policy. If you don't advise us not to renew your policy, we will automatically attempt to collect payment using the Credit Card on file. Your policy will automatically renew if your minimum required initial payment is paid by the due date.

Cancelling your policy

We allow you to cancel your policy at any time. To cancel, login to your PD Insurance online account on our website and follow the instructions for cancellation.

We can cancel your policy for reasons permitted by, and by giving you written notice in accordance with, the Insurance Contracts Act 1984. We may send written notice by sending you a digital link by which you can access the notice (where permitted by law), by delivering it digitally including via email or SMS text (where permitted by law), or by posting it to the last known address for you appearing on your online account.

In all cases of cancellation other than when you cancel during the cooling-off period or when we cancel due to a Total Loss (**see page 9**), we'll deduct from the premium you have paid us an amount that covers the shortened period for which you have insured with us. We may charge you a cancellation fee specified in the Insurance Certificate to cover the administration costs if you cancel after your cooling off period. We will then refund the balance by crediting the card account noted against your policy.

Cooling-off Period

Under Australian law, you have cooling-off rights and may cancel this policy within 14 days from the date the policy was sold to you. If you wish to exercise your cooling-off rights, please email us within this 14 day period at **customerservice@pd.com.au**. If you have not made a claim, then we will refund in full the money you have paid.

Updating your PDS

If we change anything about this insurance in the future, the PDS may also change. If the change is relatively small and will not affect your decision to buy or renew this cover, we will list the details at pd.com.au. If we make a substantial update to the product, we will send you a new PDS or Supplementary PDS, explaining the changes we have made. We will tell you in any renewal notice we send you if the terms of your policy will change on renewal and how you can get details of the changes. You agree to review those changes and, if you do not agree to those changes, to tell us (by logging in to your account on our website or in writing) and to cancel your policy. Unless you tell us that you do not agree to those changes, we will assume that those changes are acceptable to you and renew your policy on the terms of the renewal notice.

8. Definitions

Your PD PDS attaches certain meanings to a number of words and phrases that are used throughout the document. We've put together these definitions to let you know what we mean by those words and phrases when used in this PDS.

Agreed Value

The amount that we will pay, less any applicable excesses, if your vehicle is determined to be a write-off, and if we decide not to replace it.

The agreed value is established at the beginning of each policy period for your vehicle. The current agreed value for your vehicle is shown on the current insurance certificate and may change with each renewal. If there is cover for a replacement motor vehicle that is not shown on the insurance certificate, the agreed value for such vehicle will be the market value of the vehicle at the time of loss or damage.

Agreed value includes GST, registration, Compulsory Third Party Insurance, on-road costs, warranty costs, future stamp duty, and transfer fees.

Business use

Use of the motor vehicle during full-time, part-time, or casual working periods as an integral means of earning income, even if the motor vehicle is also used for social, domestic, and/or pleasure purposes. However, business use does not include use of your vehicle for commuting to or from work or for occasional job-related errands.

Covered Driver

Any driver who you have told us about and who we have agreed to cover. All covered drivers are shown on your current insurance certificate.

Insurance Certificate

The document in your policy that shows, among other things, the details of your policy, information you have given us on which we have based our decision to insure you, and certain information that we have used to determine your premium. Your current insurance certificate is the most recent certificate that we've given you or made available to you at our website, incorporating the most recent information you have provided us.

Market Value

The cost to replace a vehicle with a vehicle of the same make, model, age, and condition as the replaced vehicle immediately prior to its loss or damage, as decided by us.

Modifications

An alteration to the standard body, engine, transmission, drivetrain, suspension, brakes, wheels, or paintwork of your vehicle that affects its value, safety, performance, or appearance.

Motor Vehicle

A vehicle that is propelled by an engine and:

- is of the private passenger, pickup, or cargo van type;
- is designed for operation principally upon public roads;
- has at least four wheels; and
- has a carrying capacity of 2 tonnes or less.
